

Mamma Mia

Italian Restaurant

Mangia bene, Vive bene!

Eat well, live well!

Over a quarter of a century ago, our parents, Domenico and Fleda Pugliese first opened the doors of Mamma Mia Pizza, Pasta & Subs for business on February 3rd, 1997. "Mamma Mia," which translates from Italian to "my mother," was our father's way of recognizing his mother, our grandmother, Nonna Carmela, as being a driving force and inspiration throughout his life.

With our father's extensive experience and drive and our mother's personality and attention to service, the place was a success from day one. Many of the recipes were (-and still are!) tried-and-true Italian Classics, along with some of the best New York style pizza around. Our guests loved everything and it showed! Both of us began working and helping out in the restaurant at young ages. Over the many years, our parents taught us the value of hard work and dedication in all aspects of "the family business."

Fast forward almost two and a half decades to present day, Mamma Mia Italian Restaurant, as we are now known, is a destination for locals and visitors alike. We have transformed from a small mom and pop pizza joint into a full-service Italian restaurant. Our entire staff is comprised of a team of knowledgeable and willing members ready to go above and beyond to make every guest feel like our best friends and family. Just as if you were sitting at mamma's table for lunch or dinner! From our family to yours, *Mangia bene, Vive Bene!*

— Angelo & Romeo Pugliese
